

PHARMACOVIGILANCE COMPLAINT REPORT

Reported via: Phone Call (Pharmacovigilance Intake Line)

Date Logged: 2026-07-03

Product: Azithromycin 250mg Tablets

Batch/Lot Number: AZI-2026-0299

Manufacturing Date: 2026-01-15

Expiry Date: 2027-12-31

Quantity Affected: 1 unit (single patient)

Complaint Type: Adverse Event

Description:

Patient (identified only by case ID for privacy) reported severe nausea, abdominal cramping, and dizziness approximately 45 minutes after taking the first dose. Symptoms resolved within 6 hours without hospitalization. Patient has no prior documented allergy to macrolide antibiotics. Treating physician was notified and has requested batch-specific quality confirmation as part of the standard adverse event follow-up process.

Priority: Requires medical review and batch quality cross-check.
